### 2005 SANTA MARIA VALLEY GOAT ROCK SYRAH

"...Exhibits a wild character: the nose is powerfully ripe with an appealing gaminess (hints of dried meat and Camembert) over dark berry fruit. The texture is silky in contrast to the somewhat feral nose, while the palate offers a devilish array of flavors: plum, soy, cinnamon, corn silk and strong black tea on the finish." *(Brett Anderson)*

*Natasba Boffman, Winemaker*
